H i -

I am a reporter with NBC News in New York. I'm emailing regarding the meeting of The Presidential Advisory Commission on Election Integrity meeting on July 19. I wanted to know if the meeting is an open, public meeting, specifically for the press. If not, what is the explanation for keeping the public/press out of the meeting and having a livestream, particularly given the federal open meeting law? I would very much like access to attend the meeting.

Thank you.

Best,

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?

- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.

-We will need the line of accounting that will be used to pay for the travel.

-Who (at GSA) will be approving the travel in Concur?

Thanks!

All:

The file for the Commission on Election Integrity is now with the OFR and slated for publication on July 5.

To ensure that publication, OGP kindly provided its BAC # for billing (6820-61). Once the EOP/OVP funds are

available, OCFO will use these funds to reimburse OGP for the \$288 cost of publication.

Many thanks to everyone who has sweated the details on this--especially Joanne Sosa who took this across the finish line with time to spare, even with limited notice.

GC, Allison,

FYI, I was copied on this records request made on the Presidential Advisory Commission on Election Integrity.

Presumably I was included as I signed, as acting AA, the Federal Register notice of the first public meeting of the Commission.

I'd expect future document requests of OGP around the work of the Commission.

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Kind Regards,

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?

- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?

- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.

-We will need the line of accounting that will be used to pay for the travel.

-Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Kind Regards,

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I'm just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You'll notice Luis Borunda is no

longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Ok good to know. Does OGP have the tools/info it needs to book the travel in the absence of the "White Glove" service? Again, we have not yet loaded funding but just trying to anticipate the next step here.

I'll synch with Val first thing Monday. She'll be back then, and I understand has experience with this type of travel, as OGP runs another FACA that requires travel from time to time.

We'll find out what add'l info we'll need to get this going and then will coordinate back with the OVP rep to obtain the needed info from the members.

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI) As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI) As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Update on fund 262D set up:

Today, we are working with WCF and Control teams to set up initial 25K in the account for this travel. Concur line will be set up for travel as well. Please submit requests to Val and Kris and they will process it for you.

For full 250K amount, we are still pending signed IAA to collect dollars from OEP. Thanks

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Good Morning Kris and Valerie,

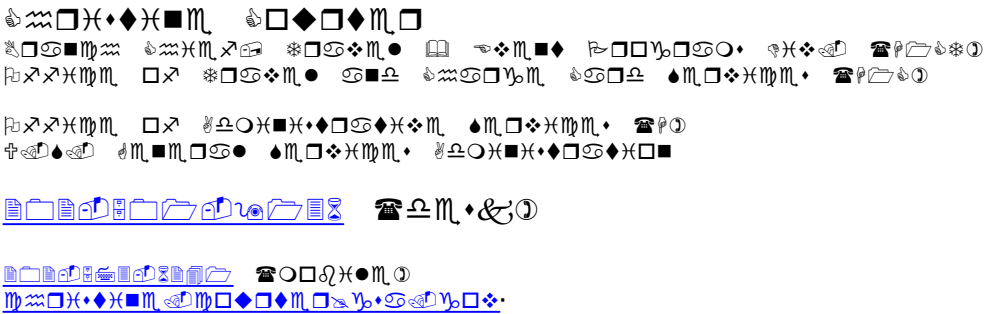

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel

voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Hi Andrew - The online FACA training, FACA Fundamentals, or FACA 101, can be accessed at this link: <https://www.gsa.gov/portal/content/162635>. You will see the following registration instructions at the bottom of the page:

Register Online for all FACA Training Courses:

To register for a course please go to the following link: <http://faca.golearnportal.org/>. All first time users will have to enter their email address and the following password (b) (5) (only .gov and .mil e-mail addresses will be accepted). Once you enter this information you will have access to the enrollment form. The enrollment form is a one- time process which will require you to create a password. On return visits, you will only need to login and use the password you created. When you click on the submit button you will be redirected to a secure online registration page.

You need to register first and then you can take the online training. We've been told the online training takes someone new to FACA approximately 2.5 hours to complete.

Training Next Week:

The agenda for the June 5-6 training is attached. As I mentioned yesterday, the training is full, so we need to ask you to sit in the chairs behind the tables (unless a registered student does not attend and there is space at a table, which is likely). The FACA 201 training is held at:

U.S. Access Board
1331 F Street, NW
Suite 800
Washington, DC 20004-1111

The Access Board is about a block from the Metro Center metro. Let me know if you have any questions regarding the training. I look forward to seeing you again next week! Lori

Good morning Tim,

Thanks so much for tracking down this information for us so quickly. After discussing the option with our team, it seems that with the potential stop by of the VicePresident, and the pricing, it is going to work better for us to do it here on the complex for this initial meeting. This group will continue to meet over the next several months, and if you don't mind, we will keep this pricing sheet and your contact information and reach out to you again soon with other dates.

Thanks,
Katie

Greetings Katie - It was good talking with you last evening. I had to check to confirm the availability of July 19th as we did have a temporary hold on the Mellon for part of that day, however, the group confirmed the date is not going to work for them and so we have placed the entire day on hold if you choose to use it.

While the GSA owns the building/Mellon Auditorium, we did enter into an outlease agreement with a 3rd party vendor who manages the space for us. You and I did not talk about a budget for the event. I have attached the FY-17 pricing sheet. I am glad to discuss this further in a phone call with you. Once you have the opportunity to look this over, please let me know if you want to arrange for a quick phone call.

Tony, it also could be Lorelei Kowalski, who is responsible for Federal Advisory Committee Act matters here at GSA. Maybe we can have both Tom and Lori on a call with WH to determine the scope of the commission. Then we can figure out who is the liaison here at GSA. What do you think?

I'll synch with Val first thing Monday. She'll be back then, and I understand has experience with this type of travel, as OGP runs another FACA that requires travel from time to time.

We'll find out what add'l info we'll need to get this going and then will coordinate back with the OVP rep to obtain the needed info from the members.

Hi Jonathan,

Update on fund 262D set up:

Today, we are working with WCF and Control teams to set up initial 25K in the account for this travel. Concur line will be set up for travel as well. Please submit requests to Val and Kris and they will process it for you.

For full 250K amount, we are still pending signed IAA to collect dollars from OEP. Thanks

Thanks for sending Christine. Val & Kris are out today.

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Good Morning Kris and Valerie,

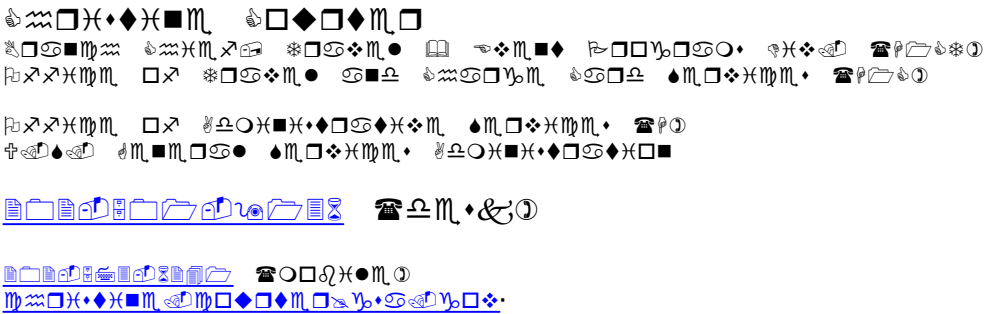

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel

voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.

- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi,all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Hi Andrew,

GSA would like to conduct the required FAC and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi all,

BB folks--no action at this time, other than that I think we will move forward with the allotment update.

Valerie--We will need some time to load the funding in the system before you will be able to use the code in Concur, so please do not proceed with actually booking any travel until you have confirmation from us that the authority is loaded appropriately. Are you familiar with the "White Glove" service mentioned? Had you already identified the approach OGP will be using to support the travel arrangements?

Ok good to know. Does OGP have the tools/info it needs to book the travel in the absence of the "White Glove" service? Again, we have not yet loaded funding but just trying to anticipate the next step here.

Hi all,

BB folks--no action at this time, other than that I think we will move forward with the allotment update.

Valerie--We will need some time to load the funding in the system before you will be able to use the code in Concur, so please do not proceed with actually booking any travel until you have confirmation from us that the authority is loaded appropriately. Are you familiar with the "White Glove" service mentioned? Had you already identified the approach OGP will be using to support the travel arrangements?

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

S u b j e c t: Re: PCEI 1st meeting - July 19th

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a Concur Access Request form needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all

Thanks again for all your time and efforts to help get this commission off the ground. I'm just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You'll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with P I believe P White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that'll work?

Thank you,
Andrew

We were planning option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Good Morning Kris and Valerie,

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all t

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with t I believe t White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Jonathan,

Tom Mueller and I had a conference call with Andrew Kossack this morning. Andrew has been sending me the [completed EFT forms](#) today and so far I have received 5. Once I receive them, I forward them to finance for issuance of the vendor ID. You can start sending me:

- | [Concur Access Request forms](#) for each individual- once I get the vendor ID from finance I will setup their profile in ConcurGov.
- | Name of the Host arranger who will be submitting vouchers on behalf of the members. The host must be in the same org code as the approver will be in.
- | The line of accounting (I need the full string) that will be used for the travel expenses (once it is known- we must have this before travel can be booked).

Andrew also sent me an updated list of members (see below).

I think the topic of payment method may still have to revisited. Arrangers can reserve airfare/rail with [Adtrav](#) for the members of the commission and it will be billed to the GSA Centrally Billed Account (CBA). If we have the members use their personal cards for hotel and rental car, they will have to call to make reservations themselves. Andrew may have been under the impression that GSA would be making all the travel reservations for the members but that would require a CBA. If you do want to continue with the members using a personal credit card for hotel and rental car, you may want to let Andrew know that is the plan.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Thanks for sending Christine. Val & Kris are out today.

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI) As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi, all t

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with t I believe t White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Thanks again for your time this morning. Below is a current list of our members, including the two most recent appointees. I've attached David Dunn's EFT form, and will send Christine the password to unlock it in a separate email.

I’ve also cc’d my colleague Katie Purucker, who’s the director of administration for OVP and who’s been running point on the IAA. Hopefully we’ll get word on that soon.

Good Morning Kris and Valerie,

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all P

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with P I believe P White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi Katherine,

Thank you for meeting with you yesterday. I wanted to follow up with the information we will need from the travelers in preparation for booking the travel.

GSA will be coordinating the travel process for the PCEI members. **We need each member who will require travel arrangements to fill out and submit the attached Electronic Funds Transfer form ASAP and no later than 4PM EST, tomorrow, 7/12 to jonathan.clinton@gsa.gov**. This is the first step to get them established in our travel system and subsequently reimbursed for their travel.

Can you distribute/coordinate with the PCEI members or their admins? More to come. Important first step is to complete the attached form.

If forms are received tomorrow, we're targeting Friday for the travel agent to be available for members. Of course, this is contingent upon funds certification.

We will provide the information to you for how the member or their admin can book travel through the travel agent after 1) we have received the forms and 2) we have received funds certification for the estimated cost of the travel, which we are working to prepare now.

Thank you!

Liz Cain

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Giancarlo, I understand you have someone on your team who is going to provide administrative support to the Commission and that would include travel arrangements. As a side note, GSA does not have a task order for "white glove" service aka VIP service. Someone will need to communicate this to Andrew. I have copied Tom Mueller, OAS chief of staff, who used to be in travel. He can advise if need be.

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. Happy Monday, everyone. Apologies for the mass email, but I wasn't sure who is off today and who drew the short straw to be in the office...

Just wanted to check in on the meeting notice. Do we know when it will be posted? We were hoping it would post today to be squarely outside of the 15-day requirement. Could someone please confirm?

Thanks again.

Bringing you up to speed.

1. The notice has to be submitted to the OFR by 1:59 today to be published by 7/5. There is no 7/4 publication date.
2. As I think you know, we are only able to publish on 7/5 by invoking this as an emergency.
3. A charge code needs to be on the submission (you may already know this).
4. The regulatory secretariat is beginning work on formatting.

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI) As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S AB briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Kind Regards,

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (P C E I) A s we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A B riefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI) As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Lenny and Seth,

My colleagues from EOP/OVP who are cc'd here suggested I reach out to you regarding the Presidential Commission on Election Administration, which I'll be staffing going forward as the DFO. I understand you already spent some time with various members of our team assisting with this, so thank you for the your efforts to date.

We are close to getting the charter finalized and filed, and I've been working with Lori, Audrey, Duane, and others from GSA on that process. They've all been extremely helpful and generous with their time. I look forward to working with you as well. If I can help either/both of you at any point, please don't hesitate to reach out anytime. My contact information is below.

Hope to meet each of you in person sometime soon.

Thank you,
Andrew

Jonathan,

Tom Mueller and I had a conference call with Andrew Kossack this morning. Andrew has been sending me the [completed EFT forms](#) today and so far I have received 5. Once I receive them, I forward them to finance for issuance of the vendor ID. You can start sending me:

- | [Concur Access Request forms](#) for each individual- once I get the vendor ID from finance I will setup their profile in ConcurGov.
- | Name of the Host arranger who will be submitting vouchers on behalf of the members. The host must be in the same org code as the approver will be in.
- | The line of accounting (I need the full string) that will be used for the travel expenses (once it is known- we must have this before travel can be booked).

Andrew also sent me an updated list of members (see below).

I think the topic of payment method may still have to revisited. Arrangers can reserve airfare/rail with [Adtrav](#) for the members of the commission and it will be billed to the GSA Centrally Billed Account (CBA). If we have the members use their personal cards for hotel and rental car, they will have to call to make reservations themselves. Andrew may have been under the impression that GSA would be making all the travel reservations for the members but that would require a CBA. If you do want to continue with the members using a personal credit card for hotel and rental car, you may want to let Andrew know that is the plan.

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to be done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to cge-access-requests@gsa.gov.
- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

Ok good to know. Does OGP have the tools/info it needs to book the travel in the absence of the "White Glove" service? Again, we have not yet loaded funding but just trying to anticipate the next step here.

Update on fund 262D set up:

Today, we are working with WCF and Control teams to set up initial 25K in the account for this travel. Concur line will be set up for travel as well. Please submit requests to Val and Kris and they will process it for you.

For full 250K amount, we are still pending signed IAA to collect dollars from OEP. Thanks

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Thanks for sending Christine. Val & Kris are out today.

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to [cge-access-](#)

requests@gsa.gov.

- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I’m just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You’ll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. We (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove(?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that’ll work?

Thank you,
Andrew

I'll synch with Val first thing Monday. She'll be back then, and I understand has experience with this type of travel, as OGP runs another FACA that requires travel from time to time.

We'll find out what add'l info we'll need to get this going and then will coordinate back with the OVP rep to obtain the needed info from the members.

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft F R meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (P C E I) A s we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the G S A Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Thanks for sending Christine. Val & Kris are out today.

Plus Liz Cain, Stefan Grabas in OCFO; Minus - Andrew (OVP) -- is the line of accounting available for OAS to get things in order for Concur?

We were planing option 1--travelers call Adtrav and use personal cards to get reimbursed. We'll coordinate through the committee contact (Andrew) to get the forms out to the travelers so the Concur ID can be created and have them sent in as instructed. We'll start that today. We were also waiting on completion of an IAA being coordinated by CFO before giving the green light for these members to book travel and for that line of accounting.

Presuming the travelers will need airfare and lodging.

Given timing (GC is on leave the rest of the week and Allison just started as HSSO); I can be the approver in Concur.

Good Morning Kris and Valerie,

Our office handles the travel system (ConcurGov) and will be assisting with getting this commission setup for travel. We need answers to the following questions in order to proceed:

- Will these travelers be needing airfare, lodging and rental car?
- If the travelers need lodging/rental car, there are 2 payment options for reservations 1) Travelers call Adtrav and use their personal credit cards and then get reimbursed after the trip on their travel voucher or 2) GSA can setup a centrally billed account for these travelers that would be paid directly by the agency using the commissions funds. I will need to know which option because a centrally billed account would require time to setup and activate.
- Who will be arranging their travel?
- Each traveler **has to fill out and submit a EFT form (attached PDF)** to obtain a traveler/vendor ID before they are setup in Concur as travelers. This takes 1-2 business days so I need to know who will send these forms to the travelers and make sure they fill it out and fax it in? This has to done before they can be setup and travel. After the travel/vendor ID is obtained, a [Concur Access Request form](#) needs to be filled out by a POC at GSA for each traveler and submitted to me with a cc to [cge-access-](#)

requests@gsa.gov.

- We will need the line of accounting that will be used to pay for the travel.
- Who (at GSA) will be approving the travel in Concur?

Thanks!

Hi, all -

Thanks again for all your time and efforts to help get this commission off the ground. I'm just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You'll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. (b)(5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with - I believe - White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that'll work?

Thank you,
Andrew

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. -
Thanks

Kind Regards,

Hi, all –

Thanks again for all your time and efforts to help get this commission off the ground. I'm just following up on my email below with an update on membership, as well as a couple requests for assistance.

On membership, the President has appointed the 10 members below. You'll notice Luis Borunda is no longer a member (resigned), and Hans von Spakovsky is a new addition. W (b) (5)

Our first meeting is still set for the 19th, so we still need to get these folks connected with – I believe – White Glove (?) so they can begin to book flights, hotels, etc. How do we connect them with that service?

I understand members also need to be sworn in prior to the meeting. Is there someone I can work with who can help me understand how that'll work?

Thank you,

Andrew

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming Jul 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Jeff:

Attached is the meeting notice. As to who will be signing: a decision was made that this needs to come from OGP, not the Committee Management Officer as I'd understood.

That means Giancarlo, or you, in his place would be signing.

I've attached the document here, and looped in Cynthia, Claudia and John in case there are questions.

Joanna: Audrey is working on the SF-50 and has the emergency letter ready to go. This will be with you shortly.

Subject: Re: PCE 11st meeting - July 19th

Hi Andrew,

GSA would like to conduct the required FACA and ethics briefings on June 18th. Hopefully, the members will be in the area and this won't pose a logistical challenge to anyone. I'll get back with you with the meeting details once this is firmed up. I'm looking forward to receiving the draft FR meeting notice tomorrow, Wednesday, June 28th, for the upcoming July 19th meeting for the Presidential Committee on Election Integrity (PCEI). As we discussed earlier, the Standard Form 50 also comprises the package. I should also let you know that we really need everyone to be physically present for the GSA Briefing on July 18th. If there are any issues, don't hesitate to let me know. - Thanks

Kind Regards,

Audrey Corbett Brooks

All:

The file for the Commission on Election Integrity is now with the OFR and slated for publication on July 5.

To ensure that publication, OGP kindly provided its BAC # for billing (6820-61). Once the EOP/OVP funds are

available, OCFO will use these funds to reimburse OGP for the \$288 cost of publication.

Many thanks to everyone who has sweated the details on this--especially Joanne Sosa who took this across the finish line with time to spare, even with limited notice.
